How to place an order using a purchase order ?

Once you have added all your products to the shopping cart;

1. once you have added all your item to basket, click show cart on top of the page

2. go to the checkout and fill your details (fields marked with * are required).

3. Select "purchase order" as a method of payment

4. write a note to us with your order if you want to in the comment box

5. click to confirm order
